

# Little Dreamers Academy Donation List

Thank you for taking the first step into helping Little Dreamers Academy get opened! We are seeking **gently used** items such as toys, books, furniture, games, kitchen equipment, and art supplies. This is just a list of what we could still use at the center. (We've been collecting many items for the past several months and some learning materials in classrooms are covered.) You will notice that there are several rooms that use the same type of materials. We will collect until we have enough items to cover all the rooms, even if the item is only listed in one of the rooms. When you've looked through our list and are ready to donate, you can fill out the Donation form that is in the 'Donate' tab of our website.

## Donation Guidelines:

- Please make sure items are being stored or being taken from a **lead-free** home or building.
- All clothing, towels, burp cloths, and mattress covers must be washed with bleach before donating.
- Please only donate furniture in good condition that is clean, from a pet-free home, and that hasn't been stored in a damp space/basement.
- Please do not donate recalled products, broken or damaged equipment/supplies. Some equipment will need to be further reviewed for safety reasons and to check compliance with the State.

## Center Supply Closet

This is a list of supplies needed to fill our supply closet that all classrooms and programs will have access to use. This is so we can have a startup inventory. If you're able, we would like to have these items in bulk.
